SCIOTO VALLEY AMATEUR RADIO CLUB
MEMBERSHIP MEETING MINUTES
October 16, 2008

Meeting called to order at 7:38 PM., by president Jim Snodgrass, with a pledge of allegiance to the flag.
The following members/guests were present.

Michael Mathuews	KC8WIW	Jim Boyce	KD8BWV
Bob Blue	W8LXJ	Don Berry	N8LSV
Scotty Thomas	AB8TI	Marvin Turner	K8KX
Tim Brooks	N8ZOW	Jim Snodgrass	KC8TYS
Barratt Banta	AB8NL		

Previous Meeting Minutes: The previous meeting minutes were available for reading and were approved.

Treasures Report: There was no treasurers Report.

Health and Welfare reports: There was nothing reported.

Repeater Report: **925** Tim spent considerable time working on the repeater. There are still some issues. The repeater will be replaced with a backup and sent for repairs. Two small towers at the 925 site are going to be taken down. Our new antenna will be moved to a new tower. The other antenna will be removed and taken to the clubhouse for a backup. This Saturday (10/18) there will be a work detail at the site including weedwacking and some repairs.

All other repeater appeared to be working fine and there was nothing to report.

Old Business:

1. Status of the club. The Treasury is doing pretty well but the Clubhouse needs some attention to assure its longevity. We will need to develop a 3 to 5 year plan for the club and the clubhouse.
Dues discussion. The last newsletter had a note to members that were thought to be not current. There were some mistakes in the list. This was completely unintentional and just an honest mistake. The newsletter will continue to go out to all on our lists. Efforts to assure the membership lists are current will begin next year. Work continues on the 501.3c certification for the Club is continuing. Jim S. is working with an attorney to set this up. It will likely be done through an auxiliary because of the property deed.

New Business:

Dean Hawkins (former member) wife called and donated equipment to the club. This has been gone through to organize. An HF radio has been placed in one of the operating positions. At a future meeting keep/sell decisions will be made by the membership. Club members will have first option to purchase the equipment.

Don Berry donated a radio to the club. This Kenwood 440s will be placed in an operating position for the club to use.

Discussion was initiated about the possibility of installing another 440 repeater at this site. This would be installed and overseen by the owner. Further discussion will be held at the next meeting.

The Club needs to send thank you cards for the donations it has received. Jim Boyce will make up some cards for the President.

A Christmas party is tentatively scheduled for December 7 at 2pm. A location is being researched A passing gift

is optional.

Marvin is heading up the fruitcake sale and encourages all to participate. This is a good money maker for the club. Please get a couple to sell or give as gifts to support the club.

50/50 Drawing: Mike Mathews won and donated winnings to the club.

Motion to adjourn: Meeting adjourned at 8:30PM.

Reminder You Can Start Paying your 2009 Dues now.

Marv K8KX has FruitCakes on order.

Georgetown Hamfest was this past saturday. Great Turnout !
